

The Smokehouse Heats Up in Sanford

Bill Ernst

The Smokehouse is the newest restaurant to join Sanford's commerce corridor off SR 46 and I-4. The Smokehouse specializes in smoked meats with signature flavors from a variety of woods. It's not your standard barbecue, so no sauce required.

Savory must-haves include the Smoked Sampler for Two, a medley of smoked favorites featuring pulled pork, ribs and chicken. Dishes like Applewood BBQ Shrimp, Pulled Pork Cocktail, or the St. Louis and Beef Ribs are also favorites.

The Smokehouse is part of the Route 46 Entertainment District. Other venues opening in the coming months include Monroe's restaurant; The Saloon, an upscale bar; Garage Bar, a late-night entertainment bar; and Main Stage, an outdoor stage and dance floor featuring live acts.

In the meantime, The Smokehouse is open, and offers an extensive list of beers, wine and happy-hour specials.
